DISCLOSURE STATEMENT FOR SPEAKERS – 2026

Neuroethics 2026

Neuroethics 2026 is the annual meeting of the International Neuroethics Society (INS) and Società Italiana di Neuroetica (SINe). This year's event is being organized in collaboration with the Stanford Center for Biomedical Ethics, IMT School for Advanced Studies, Stellenbosch University Department of Psychiatry, and many other partners. The event has multiple in-person conference locations around the world and opportunities to participate virtually.

All speakers are required to disclose the existence of any financial interest and /or other relationships for the work on which he/she is reporting that could be viewed as influencing the work or its interpretation.
